The Year of Education

In this odd-numbered year, we are dedicating our CAREPlan services to educating our clients and their families. As a CAREplan client, you are entitled to attend any of our educational programs for free. We also encourage you to have the family members named in your plan attend one of our Successor Trustee Training programs. See the back page for dates and times of upcoming programs.

The Importance of Funding

In every year, we strive to make sure your trusts are fully funded. A funded trust is one that has appropriate ownership or authority of all of your assets. In January or June of every year you receive a Funding Worksheet letting you know what information we have as to your funding. Please make sure you review it and return it to us with any changes we need to record. Also make sure it includes ALL of your assets, because we can't help you fund it if we don't know about it.

Save The Date For Our Picnic

Our Annual Picnic is scheduled for September 10, 2011 in Arvada. Look for more details in future mailings.

Check Out Our Website and Blogs

Our website is www.coloradoestateplanning.com. Check it out for a copy of the Denver Business Journal article quoting Karen and other new information. Karen's professional blog is at www.legacyplannerblog.com. She also occasionally posts to her personal blog at www.alwayspracticing.com. Her personal blog contains news of her family, favorite recipes, etc.

Facebook and Other Social Media

We hope you'll "Like" us on Facebook. Our Facebook Page is under Karen Brady & Associates, P.C. Karen also has some videos on Youtube under the username BradyandAssoc. Karen's Twitter account is @karenbradylaw. Our Avvo profile is at www.avvo.com under Karen L. Brady. Karen's LinkedIn account is under Karen (McGee) Brady. If you can't find us after all that, perhaps it wasn't meant to be.
